# welcome

The White Hart Royal is a hidden treasure in Moreton in Marsh in the beautiful Cotswolds, providing a great atmospheric alternative to modern hotels. Our Grade II listed 18th century Coaching Inn is full of character and history and is famous for sheltering King Charles I who stayed here following the battle of Marston Moor in 1644.

The hotel boasts two suites for private dining, two delightful period lounges, an AA rosette restaurant, a stunning courtyard decorated with pretty fairy lights and for the colder months a beautiful snug bar with a traditional roaring fire. All are complemented by our friendly, knowledgeable team. We promise to make your special day something truly memorable and by hosting one wedding a day, ensure you are our number one priority.
